SAFETY

Your safety and the safety of others is very important.

We have provided many important safety messages in this manual and on your appliance. Always read and obey all safety messages.

This is the safety alert symbol.

This symbol alerts you to potential hazards that can kill or hurt you and others.

All safety messages will follow the safety alert symbol.

All safety messages will tell you what the potential hazard is, tell you how to reduce the chance of injury, and tell you what can happen if the instructions are not followed.

IMPORTANT PRECAUTIONS

1. Different types of batteries or new and used batteries are not to be mixed.
2. Batteries (not included) are to be inserted with the correct polarity.
3. Exhausted batteries are to be removed from the product.
4. Batteries should be disposed of in a safe way. Only dispose of batteries in specific collection containers (contact your retailer for more information) in order to protect the environment.
5. This appliance is NOT A TOY.
6. Batteries should not be exposed to excessive heat such as sunshine or naked flames.
7. This product is for domestic and indoor use only.
8. The European directive 2012/19/EC on Waste Electrical and Electronic Equipment (WEEE), requires that old household electrical appliances must not be disposed in the normal unsorted municipal waste stream. Old appliances must be collected separately in order to optimize the recovery and recycling of the materials they contain and reduce the impact on human health and the environment.
9. The crossed out "wheeled bin" symbol on the product reminds you of your obligation, that when you dispose of the appliance it must be separately collected.
10. Consumers should contact their local authority or retailer for information concerning the correct disposal of their old appliance.

PRODUCT SPECIFICATIONS

1. Automatically connect with iPhone/Android smartphone via sound wave without pairing process (microphone needs to be on).
2. "Food Nutrition Scale" free-downloadable app is provided.
3. Accurately measure the weight /capacity of food in different forms (liquid/powder/granules, etc.).
4. Multi-measurement units available (oz., grams, lb., ml, fl oz, cups).
5. Over 1800 kinds of food and 9 kinds of nutrients selectable in the app.
6. Maximum measuring weight: 5.01 kg (11lbs).
7. Transmission distance is up to 8-10 meters for iPhone, other mobile devices or tables may differ.

PARTS

1. Mix & Measure Bowl.
2. LCD Digital Display.
3. Lock/Unlock switch.
4. Mode key (water, milk, oil, sugar, flour, scale).
5. ON/OFF/Tare function key.
6. Measuring units key (oz., grams, lb., ml, floz, cups).

HOW TO INSTALL THE BOWL

1. Align the slot of the bowl to the scale body, and press down the bowl. If hearing locked sound, the installation is finished.

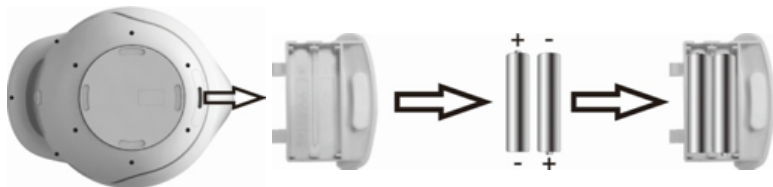

HOW TO REMOVE THE BOWL

1. Pull the Lock/Unlock switch to the upside position, and at the same time pull out the bowl from the scale body.

HOW TO INSTALL THE BATTERIES

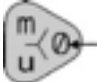

1. Pull out the battery box, and install 2 AAA batteries (not included), and replace the battery box to the scale body.

OPERATION INSTRUCTION

Measuring Weight

1. Keep the bowl placed on a level surface. Press \emptyset button  the LCD will power on, and after 3 seconds when LCD shows , put the ingredients in the bowl.

2. When the scale is on, press M key  to change the mode (water, milk, oil, sugar, flour, scale), press U key  to change the unit (oz, grams, lb, ml, floz, cups). Press \emptyset button  to turn off the scale. Press \emptyset button  it will display "TARE", and 2 seconds later will display zero.

3. If there is no operation within 3 minutes, the scale will automatically power off.

Tips

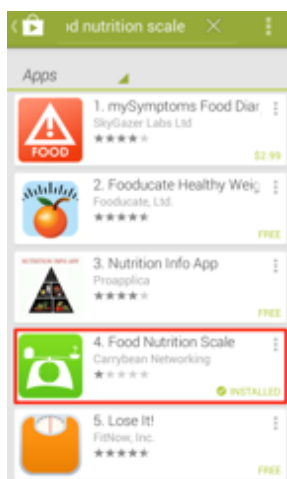

- TARE function allows you to weigh many ingredients at the same time.
- Max weight is 5010 grams, LCD will show  if the weight is over 5010g.
- "lb." unit is only available when the ingredients' weight exceeds 454g or 16 oz.
- When the battery is low power, LCD will show  please change the batteries.
- Remove the bowl from the scale before cleaning.
- DO NOT use water to clean the scale. This will void the product's guarantee.
- If the product doesn't work properly, please remove the batteries and reinstall.

Download and Install the App

1. Open "App Store" from your iPhone, or "Play Store" from your Android mobile.
2. Search "Food Nutrition Scale" app.

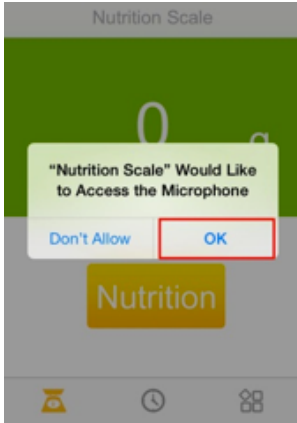

For iPhone

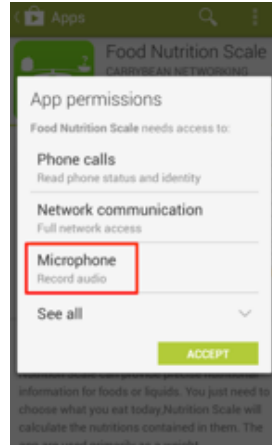

For Android

3. Download and install the app.

4. Run the app of "Nutrition Scale". Please set this app access to Microphone otherwise it can't pair to the scale automatically.

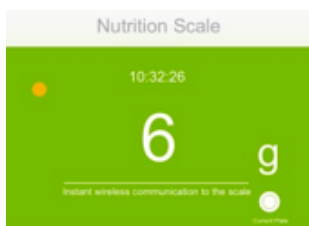

For iPhone

For Android

5. After connection from phone to scale is completed, it will now show the measured weight on your phone, please note there will be an orange dot in the top left indicating the communication between phone and scale.

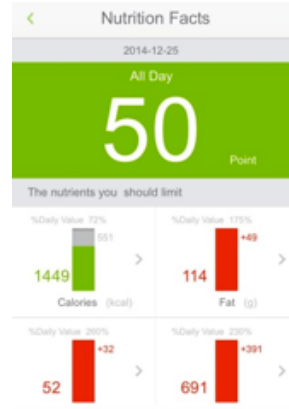

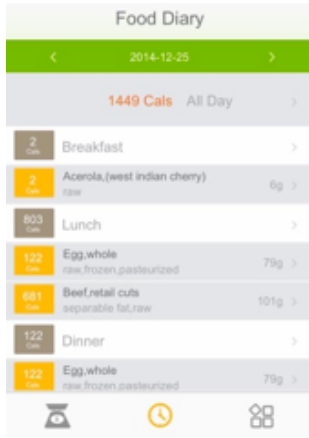

Nutrition

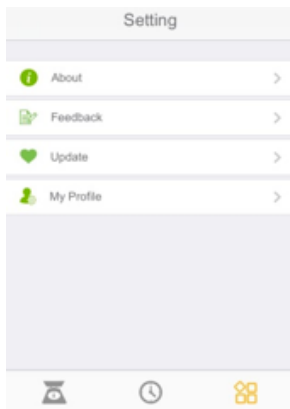

6. Press Nutrition button to go to food category, and select the correct food category, it will show the nutrition facts. The current plate will show the food you searched; select one or several items of them and press Nutrition Facts to see nutrition details. You can also select Add to Diary, then select the options of breakfast, lunch, dinner, snacks, and press done, this will add to your food diary.

7. Food Diary: Press the food diary button to enter food diary interface. Select All day, it will show the nutrition facts of the whole day.

8. Preset your daily value nutrient intake: Press the setting button and enter to setting menu, and select the My Profile to change those values if necessary.

Nutrient	Intake
Calories (kcal)	2000
Fat (g)	65
Saturated Fat (g)	20
Cholesterol (mg)	300
Sodium (mg)	2400
Carbohydrate (g)	300
Sugars (g)	25
Protein (mg)	50

Important Note

The communication between the scale and the mobile phone is made through acoustic sound waves. So that this process can work, the App must be authorized to use the mobile's microphone (see pages 6 and 7 for more information).

Remarks

If the the app can't be downloaded from the App Store or Play Store, please download from below address and install to your mobile phone:

Customer Service Inquiry

To submit a Customer Service inquiry, go to www.smartworldwidefun.com and fill out the Customer Service Inquiry form and click the Submit button.

This appliance is designed and built to provide many years of satisfactory performance under normal household use. The distributor pledges to the original owner that should there be any defects in material or workmanship during the first 90 days of purchase, we will repair or replace the unit at our option. Our pledge does not apply to damages caused by shipping, mishandling or unit being dropped. A product deemed defective either from manufacturing or being mishandled is up to the distributor's discretion. In order to obtain service under this warranty, please contact the seller as the first port of call.

This warranty does not apply to re-manufactured merchandise.

Please read these instructions carefully. Failure to comply with these instructions, damages caused by improper replacement parts, abuse or misuse will void this pledge to you and is being made in place of all other expressed warranties.
